

ZHANG, Kanyi (Jack)

Partner, Deputy Manager, Attorney at Law, Senior Patent Attorney, Attorney at Law

Working Languages: Chinese, English

Practice Experience:

Mr. Jack Zhang has expertise in patent prosecution and litigation in China, as well as cooperating with local lawyers to handle patent prosecution in major countries and regions such as United States, Europe, Australia, Canada, India, Brazil, etc. Mr. Zhang has rich experience in patent agency services, including, for example, drafting of application document, Chinese-English translation and reviewing, response to Office Actions, and patent re-examination, invalidation and administrative litigation procedures, and is particularly good at handling patent applications and providing invalidation and litigation services for domestic and foreign clients. He focuses on the technical fields of computer software and hardware, Internet, e-commerce, electronic circuits, communications, semiconductors, image processing, display and lighting, machinery, automation, and so on. Mr. Zhang has handled more than 1,000 patent applications and more than 1,500 Office Actions in China, United States, Europe, India and other countries and regions. In 2018, Mr. Zhang have won two patent invalidity cases in "Internet Patent Dispute Cases Ranked No. 1" (selected by people.cn as one of the Top 10 typical patent cases in 2018), and helped a leading semiconductor company to achieve favorable results in patent civil litigation cases and the related patent invalidity case. Mr. Zhang joined Lung Tin in March 2009.

Mr. Zhang was licensed to practice as a Chinese Patent Attorney in 2011 and passed the National Judicial Examination in 2016.
