

LI, Pengfei (Natalie)

Paralegal, Patent Attorney

Working Languages: Chinese,
Japanese, English

Practice Experience:

Ms. Natalie Li has expertise in patent invalidity proceedings, administrative litigation, patent infringement litigation, trade secret disputes, legal opinions relating to patent infringement and freedom-to-operate, as well as patent prosecution, etc. She is very experienced in patent cases in technical areas of automation, mechanics, display and lighting, computer software and hardware, internet, electronics, semiconductor, etc. Since February 2016, Ms. Li has participated in handling over 40 patent invalidation cases, over 50 patent administrative and civil litigation cases between large domestic and foreign companies, as well as over 30 patent-related legal opinions, about 500 patent prosecution cases for many well-known companies. In 2020, as a member of the team, Ms. Li participated in the series of disputes over patent infringement between *DET* and *APPOTRONICS* (which cases were selected as a typical case of the Supreme Court of Intellectual Property Court in 2020), and achieved excellent results. In the same year, she represented a leading domestic medical device company in an invalidation case and successfully maintained the patent rights. Ms. Li joined Lung Tin in February 2019.

Ms. Li was licensed to practice as a Chinese Patent Attorney in 2016 and passed the National Judicial Examination in 2017.
